

## Review of the Lions Fiscal Year

In the last year our members have taken part in almost 60 different service activities, volunteering several hundred hours of our time and we are well on our way to raising £45,000 and we are on target to donate around £50,000 in this fiscal year, all of which will be donated to good causes within the community as well as Nationally and Internationally, in particular in the Ukraine.

The Christmas float collection was our best year on record.

All these actions have helped us to serve over 10,000 people in our community.

The club also received the "Club of the Year" award from the District Governor and the "Club Excellence" award too.

We put high importance on the Lions Objectives to help those in need - we as a Club this year decided to have a 'Club Nominated Charity' and the chosen charity is the Serenity Suite Appeal in conjunction with the Doncaster & Bassetlaw Teaching Hospitals Trust.

## The fund is still GROWING

The war in Ukraine continues and so does the Acorn Appeal. Brad (local business man) has now moved this forward to his business contacts to swell the appeal. You can still make a donation to this great humanitarian disaster.

## Lion's First Lady President

On the 1st of July after completing his third year as Lions President Ron Lindsay handed over the Lions President's 'Chain of Office' to Penny Bradley. This marks a milestone event in the history of Tickhill & District Lions Club, which is now in it's 45th year with Penny becoming the first female president of the club. Penny hopes to continue

the good work carried out by Tickhill & District Lions to help and assist worthy causes both locally, nationally and internationally.

## Queen's Jubilee Race Night

Celebrations of Her Majesty the Queen's Platinum Jubilee was a great success, with everyone entering into the spirit of the event. A lot of beer was drank and a lot of money was raised from the kind people of Rossington. This money will go towards the Serenity Appeal for the maternity bereavement suite at Doncaster Royal Infirmary and help towards purchasing a new scanning machine for Bassetlaw Hospital's Early Pregnancy Unit.

If you would like to join your Local Lions Club or you think we may be able to help you or a community project please get in touch.
